Mr. Lyle D Jaffee, Dockets Management
FDA/DHHS
12420 Parklawn Dr Room 1-23
Rockville MD 20857

Dear Mr. Jaffee:

I am writing in regard to the forced molting of layer hens. This practice is not only cruel and inhumane but can help promote salmonella infection in hens. Forced molting has been banned in Great Britain and most European countries...let's get forced molting banned in the United States also.

Thank you.

Sincerely,

Natashia Tabler
